

IIT EU ALUMNI ASSOCIATION EUROPE-INDIA CONFERENCES ON INDUSTRY-RESEARCH-UNIVERSITY PARTNERSHIPS

PLEASE CLICK HERE FOR AN UPDATE

**RWTH Aachen University, GERMANY
Organized by the IIT EU Alumni Association***

Key Features:

This Conference will provide a unique platform for partnerships between academia and industry, European and Indian, focused on the growing Indian market in the areas of Energy and Transportation.

Participants consist of experts and managers from corporate R&D, industry recruitment, academic faculty, graduate students, incubation centers, governmental agencies, and consultants.

Through the Industry-Research-University Partnerships (IRUP) program, we aim to foster bilateral collaboration of IITs and European engineering academic and research institutions with industry having Euro-Indian interests.

Focus will be on topics concerning the technological infrastructure of India for energy and transportation, novel pathways for science and technology, achieving progress in face of such challenges as environmental pollution, water scarcity, and natural disasters faced by megacities and rural regions. For more information and registration please visit www.iit-eu.org. (The Conference Language is English.)

CONFERENCE AGENDA

- Plenary Sessions for general overviews and summaries.
- Workshop Sessions short talks by panelists followed by a general discussion.
- Partnering Sessions set up of projects driven jointly by universities and industry engineers.
- Poster Exhibition opportunities for one-to-one meetings and career development.

Additional information on all events and proposed IRUP projects is available at: www.iit-eu.org The Aachen Conference (October 2008) will be followed by regional conferences in India (January 2009) focused on involving graduating students from IITs and other major engineering colleges. The Association will serve to facilitate all related networking.

CURRENT INDUSTRY SPONSORS:

AREVA, EADS, Fluidyn, IOSIS, SNECMA, Renault, BARC, IGCAR, Indian Railways

PARTICIPANTS (full list at website): DLR/BMBF, FZ Jülich, GTZ, KfW, EIEBG, IGBF, IAEA, Indian Embassy (S&T)-Berlin, CGI-Frankfurt, Department of Atomic Energy, Indian Space Research Organisation, ITER-India, Hindustan Aeronautics Limited, Gadhia-Solar, IITs, panIIT, DAAD, RWTH Aachen, TU Hannover, U Karlsruhe, U Köln, FH Lübeck, U Würzburg, U Maastricht, Cambridge U, ECP, ENSAM

CONTACTS

Event Managers: Europe - Moris.Habip@iit-eu.org India - Ram.Sundaram@iit-eu.org

Benelux: S.Ramdas@iit-eu.org / France & India: Sharad.Tripathi@iit-eu.org / UK: Sunil.Shastri@iit-eu.org

* The IIT EU Alumni Association, based in Paris, was founded in 2005 by engineers graduated from India's leading Indian Institutes of Technology (IIT). Our office: #7, Boulevard de la Liberation, F-93200 St DENIS, FRANCE +33-(0)1 42 43 1666
